SOFTWARE

Adobe Creative Suite · Procreate
After Effects · Premiere Pro · DaVinci
Resolve · Nuke
Autodesk Maya · Blender · Unreal Engine
· ZBrush

EDUCATION

Honours Bachelor of Animation
Sheridan College
Sep 2022 – Apr 2026

EXPERIENCE

BIOTROPERS

2026 – Present

Graphic Designer & Social Media Manager

- Designed engaging posters, flyers and graphics to promote the BioTroopers brand in community events and increase its presence in the online space
- Applied colour theory, typography, and layout principles, collaborating closely with the founder and team members to revise and deliver graphics and visual assets with quick turnaround times

EMBREATE · IP Development Studio

2025

Visual Development and Illustration Intern

- Translated story and worldbuilding concepts into a streamlined narrative for an upcoming card game as part of the *Future Now* Project
- Conceptualized and provided illustrations for the book *What Has Sci-Fi Taught Us* by W.G. Miller, incorporating feedback and revising accordingly to the author's vision
- Contributed to visual direction across multiple deliverables

FREELANCE ILLUSTRATOR AND ANIMATOR

2022 – Present

Illustrator, Background Artist & Visual Designer

- Provided background artwork for 2 indie games in development, delivering assets with quick deadlines as per the requirements of the games
- Developed concept art and environments for Studio Fluffpoint's upcoming animated project *Hope in the Shadows*, establishing the tone and mood of the locations in the pilot
- Produced illustrations across 12+ independent for-profit and zine publications, working to design guidelines and release schedules

STREET ART TORONTO

2019, 2022, 2023

Muralist

- Collaborated with a team of 10+ artists to design and execute public murals with a cohesive style in West Hill, Empiringham, and Danzig Street
- Pitched initial concept designs and revised them by incorporating community and team feedback, to provide a mural that truly encompassed the identity of the community

PROJECTS

BAIT & CATCH! · Sheridan Capstone Film

2025–2026

Director · Producer · Visual Development Lead · Composer

- Directed a 2:18 animated short from concept to final execution, seamlessly combining 2D and 3D workflows into a unified, but unique visual style
- Defined the artistic look of the film, creating 2D and 3D assets for characters, backgrounds and props
- Composited final shots with colour grading, particle effects and atmospheric design, refining decisions through peer and mentor reviews

IN YOUR MEMORY · Sheridan Group Film Project

2024–2025

Layout Lead · Compositing Lead · Background Painter · Animator

★ HUDSON FILM FESTIVAL ★ SHORT FILM FEST

- Led and created layout and compositing guides to streamline asset reuse and allow for a smoother workflow
- Offered constructive feedback and critique to maintain visual quality across all shots
- Oversaw post-production: VFX integration, camera moves, lighting, and colour correction
- Animated shots with a strong focus on character acting, emotion, and timing
